30+ Years in the Industry

Brenlo has one of the largest stock inventories of custom wood doors and mouldings, unparalleled in terms of range, quality, and service in Ontario.

As purveyors of taste and modern luxury, we bring to you our premium offerings.

Brenlo - “the easiest to do business with”

At the heart of all we do, lie the aspirations of our clients. We take the time to understand your needs and bring your vision to life.

- **Residential**
- **Commercial**

Sustainability

As a trusted brand partner, we adhere to environmental guidelines and promote sustainable use of our natural resources. We are FSC® Certified and have expert staff supporting our active involvement in the Canada Green Building Council, LEED building and AWMAC commercial standards.
