Creating Unique Spaces

@capriotticarpentry

With all her energy, positive attitude, and product expertise, Victoria has been helping our customers bring their vision to life. Over her journey with Brenlo, she has gained many 5-star reviews from clients, credited to her service, interaction, and support.

Victoria has worked as a Design Consultant for five years and holds an educational background in interior design and décor. She has brought a love for design and experience with designers, luxury homeowners, and more.

After supporting the Inside Sales team for the last two years, she has recently made her debut on the road as an Outside Sales Representative & Account Manager.

Fun Fact

Besides work, Victoria helps her Mom at their Alpaca Farm and owns an Alpaca herself that she calls Acer.

They spend time together showcasing the Alpacas for their fantastic fibre milled into soft and warm yarn in natural colors!

You can also find her paddle boarding in the summer and hibernating or baking in the winter!

We are celebrating her journey and contributions at Brenlo.
