Introducing Melissa Medeiros, a key member of our Outside Sales Support team. Melissa will celebrate her 2 year anniversary at Brenlo later this year.

Before Brenlo, Melissa worked in the event planning industry where she developed her quick thinking and problem solving skills. She is widely known for her cheerful attitude and attention to detail and is a very valued member of her team.

In addition to providing outstanding support to her sales reps, Melissa lends her creative skills to the social committee here at Brenlo. Her table displays are legendary!

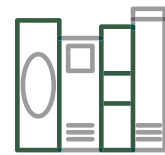

When she's not in the office Melissa is living her best mom life with her son and daughter, never missing the opportunity to make every occasion Pinterest-worthy with her crafting and decor skills.

Thank you for your amazing work and contributions to Brenlo  
Melissa!

FROGBOARD is **easy to handle and install**. It can be effortlessly processed with standard woodworking tools and accepts screws and nails readily with a flush finish. With its **thermoformable** quality, it is a perfect fit for curved applications.

THE WAIT IS OVER.

**FROGBOARD** IS HERE !

Frogboard is a revolutionary product made up of upcycled rice hulls, making it durable, strong, water-resistant, sustainable, and indistinguishable from natural wood.

Built for interior and exterior applications, Frogboard can be used in a range of applications.
